

Faroug N.O. Mohammed  
Director General, National Health Insurance Fund (NHIF),  
Sudan

Faroung possesses extensive expertise in healthcare management, strategic planning, policy formulation, health insurance systems, and social protection analysis, base in Sudan.

His comprehensive proficiency spans healthcare administration, strategic planning, and policy formulation, particularly within the realm of health insurance systems, as well as procurement and supply chain management within healthcare settings. His demonstrated competence extends to the effective management of health financing mechanisms and contractual agreements.

Faroung has held influential positions within the healthcare sector, notably as the Director General of the National Health Insurance Fund at the Ministry of Social Development and Security in Sudan. Additionally, he has served in pivotal roles including Director of General Directorate of Planning and Policies, Director of Pharmaceutical Services, and NHIF-ERP Project Manager.

He holds a Master of Science in Health Economics and Health Care Management from the University of Chulalongkorn in Bangkok, a Fellowship in Pharmaceutical

Services Management from Sudan Medical Specialization Board, and a Bachelor of Pharmacy with Honours from the University of Khartoum, Sudan.
