

Hiroshi Yamada

Urologist, Ph.D., Japanese Red Cross Aichi Medical Center  
Nagoya Daini Hospital

Deputy Director, Sexual Violence Support Center at the  
Japanese Red Cross Nagoya Hospital “Nagomi”

He graduated from Fukushima Medical University in 1994 and trained at the Japanese Red Cross Aichi Medical Center Nagoya Daini Hospital. After working Nagoya University Hospital, he was reassigned the Japanese Red Cross Aichi Medical Center Nagoya Daini Hospital.

He worked in Ishinomaki as a rescue team in the Great East Japan Earthquake in 2011. After that he joined Aichi DMAT and Japanese Red Cross DMAT and he was also active in the Noto Peninsula Earthquake in January 2024 in Suzu city. With the revision of the Penal Code in June 2017, he participated in the activities of Sexual Violence Support Center at the Japanese Red Cross Nagoya Hospital “Nagomi” as a medical doctor for male victims of sexual violence. He continues to give presentations and lectures at various media, medical conferences, and events to inform the public about the reality of male sexual victimization, which is not well recognized in society.

山田 浩史

日本赤十字社愛知医療センター名古屋第二病院泌尿器科副部長。泌尿器科専門医。医学博士

性暴力救援センター日赤なごや なごみ副センター長

1994年福島県立医科大学卒業、旧名古屋第二赤十字病院(現在の日本赤十字社愛知医療センター名古屋第二病院)にて研修後、名古屋大学医学部附属病院を経て名古屋第二赤十字病院へ再赴任。

2011年の東日本大震災では救護班として石巻で活動。愛知DMAT、日本赤十字社のDMATに加入。2024年1月の能登半島地震でも第3救護班として珠洲市で活動した。

2017年6月の刑法改正に伴い、男性性被害者対応医療者として「性暴力救援センター日赤なごや なごみ」の活動に参加。各種メディア、学会、集会などで発表・講演活動を行い、社会的に認知度が高いとは言えない男性性被害の実態について伝え続けている。
