

Harumi Gomi, MD, MPH, DTM&H
Professor and Chair, Department of International Health
Professions Education
Professor of Medicine, Center for Infectious Diseases
International University of Health and Welfare School of Medicine,
Chiba, Japan

Dr. Harumi Gomi graduated from Okayama University Medical School in Japan. She completed her internal medicine residency at Mount Sinai Beth Israel in New York and an infectious diseases fellowship at the University of Texas-Houston. Dr. Gomi holds a Master of Public Health degree from Johns Hopkins University Bloomberg School of Public Health and a Master's degree in Health Professions Education from Maastricht University School of Health Professions Education, the Netherlands. She served as Assistant Professor at the Southern Illinois University, Associate Professor at Jichi Medical University, and Professor at the University of Tsukuba previously.

Her international contributions include serving as Secretary of the Continuing Professional Development Committee for the Association for Medical Education in Europe (AMEE) and Governor of the American College of Physicians (ACP) Japan Chapter. She is also a member of the International Advisory Panel for the Asian Pacific Medical Education Conference (APMEC).

In Japan, Dr. Gomi serves as a Board Member and Chair of the Internationalization Committee for the Japan Society for Medical Education. She is a member of the National Board Examination Committee at the Ministry of Health, Labor and Welfare, and a member of the Revision Committee for the Model Core Curriculum for Medical Education at the Ministry of Education.

As an infectious diseases specialist, Dr. Gomi played a key role as an executive member of the Organizing Committee for the Tokyo 2020 Olympic and Paralympic Games in 2021, helping to manage COVID-19 control measures for international visitors and athletes.
